

**Re-setting and managing passwords when
linking your account to TradingView**

Credentials required for Logging into Velocity Trader

- Username (**your investor number**) and **Password**.

Combination for Linking of Trading Account to TradingView

1. Please login to TradingView with your personal TradingView account credentials.
2. Then use your login credentials which are your **Investor Number** and **Password** to link your account and log into your Herenya trading account on TradingView.

Credentials required for Logging into Velocity TradeDesk (Admin Portal)

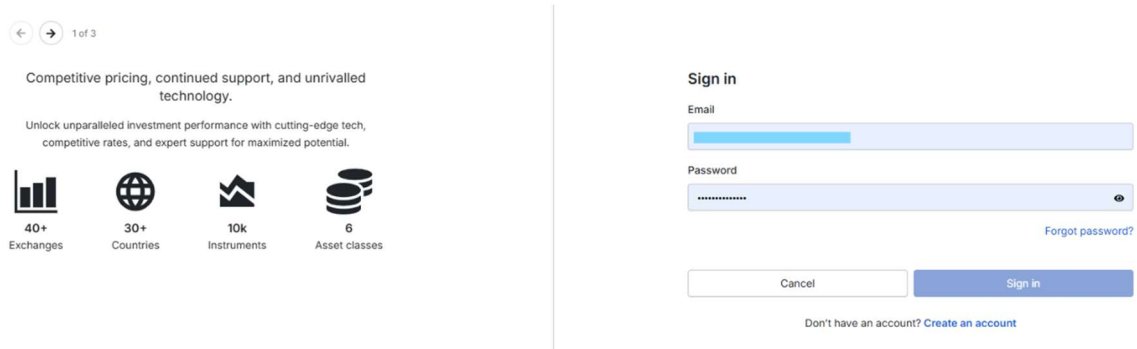

- Username (**your email address**) and **Password**.

As always, please reach out to us if you need any assistance or have any questions. We will be happy to help!

Telephone No:	010 443 8801	
Email:	Client support	support@herenya.co.za
Stockbroker:	Hannes Bruwer	hannes@herenya.co.za
Client Support Consultant:	Tracey Ashwood	traceya@herenya.co.za

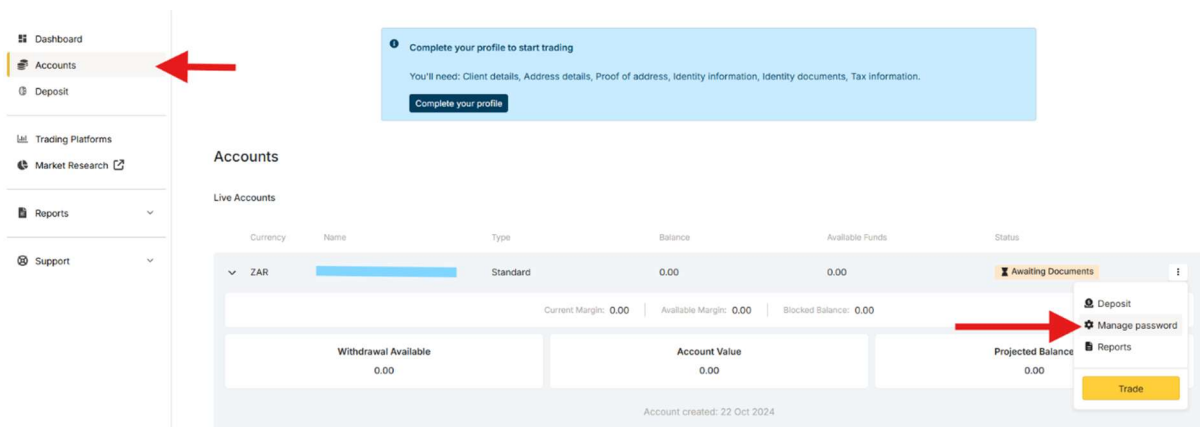

Step 1:

Login to TradeDesk by navigating to <https://tradedesk.co/tenant/herenyacapital/home> and selecting **Login with Velocity** – login using your email address and current password.

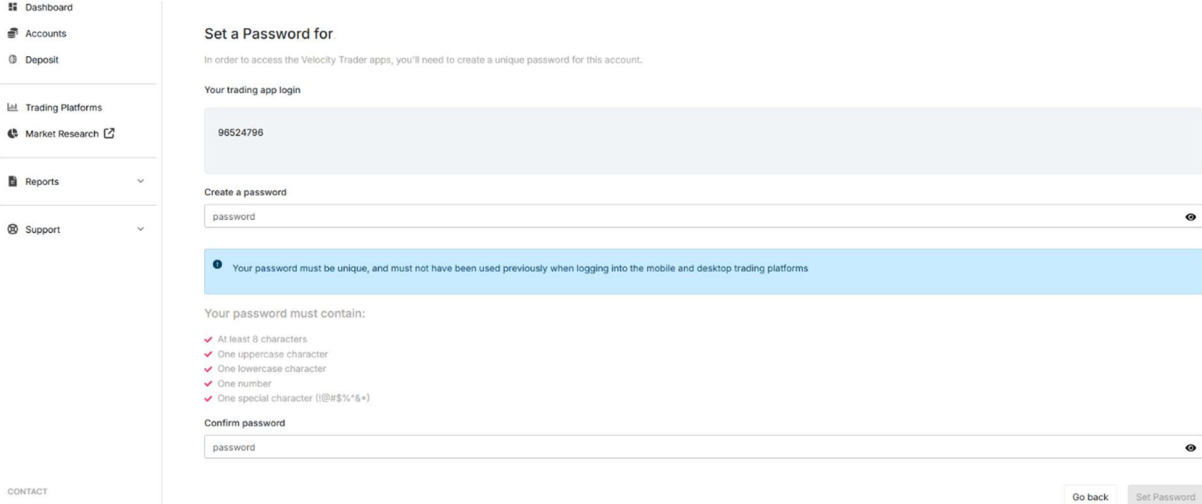

Step 2:

Select **Accounts** and proceed to the 3 dots displayed on the right-hand side of the screen - select **Manage password**.

Step 3:

Create a new password and **confirm**.

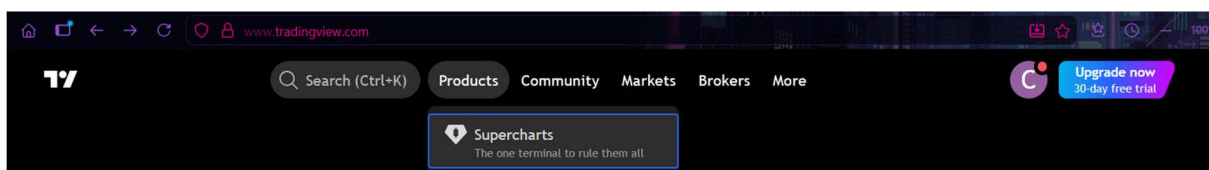

You are now able to trade on your Herenya Velocity Trader account directly on TradingView. To log in and trade via TradingView, please follow the steps below.

Step 4:

Once you have created or updated your password, you can now sign into your TradingView App or the TradingView website at <https://www.tradingview.com/> using your personal TradingView credentials.

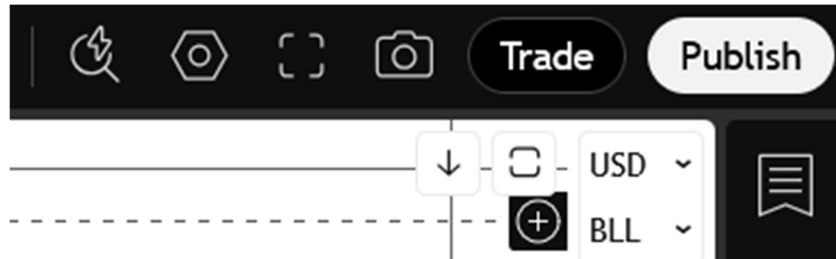

Step 5:

Once logged into your TradingView account, select **Products** and then **Supercharts**.

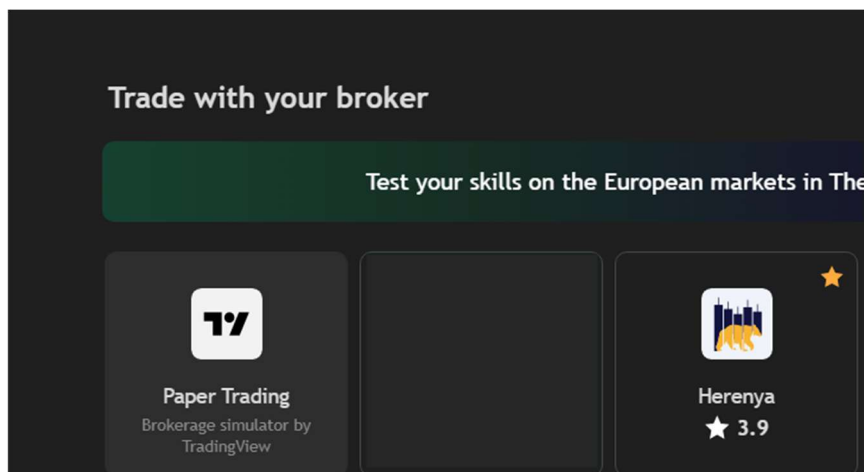

Step 3:

Select **Trade**, which will be found in the upper right-hand corner of the screen.

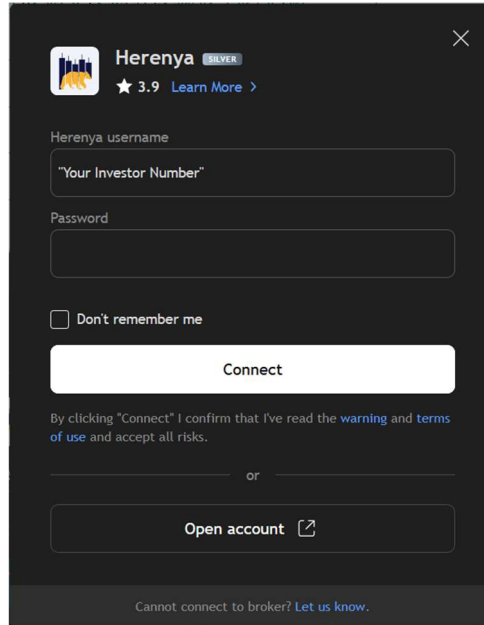

Step 4:

Once you select **Trade**, a broker list menu will pop up. Please select **Herenya**.

Step 5:

Once you select **Herenya**, the login field will pop up. Please enter your **Investor Number** as your username, followed by the **password** for your account and click **Connect**.

Cannot connect to broker? [Let us know.](#)

Step 6:

After signing in, you can then view and search any instrument available to you through the **symbol search** found in the upper left-hand corner of the screen.

You will need to enable the **Herenya filter** by ensuring Herenya is selected on the right-hand side of the Symbol Search screen, as seen below.
